TOP PICK OF THE WEEK

PARTY OF THE WEEK

St. George Spirits Bathtub Gin BBQ

Why? It's the one cookout you don't want to miss.

Sure, it's one of the big events of SF Cocktail Week, but whether you're coming here for the booze or just the atmosphere and the barbecued meats (and it's the booze, we know, but we're happy to enable each other), there's no better way to spend this Sunday afternoon. You'll get introduced to the artisanal distillery's new gins, and will generally just have a chill time as you look across the Bay to the towers of San Francisco. Transport to and from BART will keep you out of the clink.
